## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-6,8-12 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggest relay device, inhibition unit inhibiting, during a period in which the transmission/reception of the second signal by the second radio communication unit is detected by said detection unit, transmission of the signal by said first radio communication unit, wherein at least said first radio communication unit and said second radio communication unit are configured in a single assembly, and wherein said first signal and said second signal are different types of signals~ including video signals and LAN signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
